

Directions from Berlin Central Station

by public transportation

DESCRIPTION

- **Berlin Central Station – S5**
At Berlin Central Station, hop on the S5 toward Strausberg Nord.
- **Transfer at Friedrichstraße – S1**
Just two minutes later, get off at Friedrichstraße. Walk about a minute to the S1 platform and board the S1 toward Oranienburg.
- **S1 to Oranienburg**
The S1 takes you directly to Oranienburg station in about 45 minutes, stopping at 16 stations along the way.
- **Bus from Oranienburg**
At Oranienburg station, catch bus 824 toward Hennigsdorf or bus 800 toward Flatow — both stop at "Leegebruch, Volkshaus." The bus stop (S Oranienburg Bhf) is about a 2-minute walk from the station. Travel time: 18–22 minutes.
- **Stop: Leegebruch, Volkshaus**
From the bus stop, it's just about 350 meters on foot (roughly 4 minutes) to Eichenallee 40.

Tip:

Since buses 824 and 800 run on different schedules, it's worth checking vbb.de or the VBB app ahead of time to find the next connection — that way you can just hop on whichever bus comes first.

Important:

The office building isn't visible directly from the street. Use the Lidl supermarket (Eichenallee 41) as your landmark — our building is right behind the Lidl parking lot.
